

Middle Georgia State University Reduced Minimums List (May, 2020)

In order to receive reduced minimums for the restricted ATP under the Bachelor of Science Aviation Science and Management Flight track, students must take 60 credit hours for the 1000 hr. RATP, or 30 credit hours for the 1250 hr. RATP with MGA under Part 141 rules. Instrument Ground School and Flight, and Commercial Ground School and Flight, must be taken at MGA under Part 141 rules.

Any ratings taken outside of MGA will not be counted towards the reduced minimums (any licenses received outside of MGA can be counted towards the degree. Any academic courses taken outside of MGA can be counted towards the degree as long as they are from an accredited school).

Students cannot add on any ratings or classes after graduation to count towards reduced minimums.

A Private Pilot License received outside of the school will not be counted towards the reduced minimums.

Table 2 - Authorized Aviation Coursework

Course Number	Course Title	Credits	Prerequisites
AERO 2106	Private Pilot Ground	3	
AVIA 3106	Private Pilot Flight	3	
AVIA 3018	Instrument Pilot Flight	1	
AVIA 3019	Commercial Pilot Ground School Single Engine	3	
AVIA 3020	Commercial Pilot Flight Single Engine	1	
AVIA 3021	Commercial Pilot Ground School Multi-Engine	3	
AVIA 3022	Commercial Pilot Flight Multi-Engine	1	
AVIA 3023	Flight Instructor Ground School	3	
AVIA 3024	Flight Instructor Flight	3
