AAS in Cyber-Security/Information Assurance

John A. Logan College and Middle Georgia State University
Course Articulation Agreement
AAS Computer Science – Cybersecurity/Information Assurance
Bachelor of Science Information Technology

1. The joint program will be open to John A. Logan College graduates with an AAS in Computer Science – Cybersecurity/Information Assurance program degree and only for candidates entering the online or face-to-face Bachelor of Science degree in Information Technology major at Middle Georgia State University.
2. All John A. Logan College courses transferred to Area F OR to major requirements toward the Bachelor of Science degree in Information Technology will be taught by qualified faculty as determined by SACSCOC 6.2a Faculty qualifications. When determining acceptable qualifications primary consideration is given to highest degree earned in the discipline. Consideration is also given to the individual's competence, effectiveness, and capacity, including as appropriate, undergraduate and graduate degrees, related work experiences in the field, professional licensure and certifications, honors and awards, continuous documented excellence in teaching, or other demonstrated competencies and achievements that contribute to effective teaching and student learning outcomes.
3. Only John A. Logan College courses with a grade of "C" or higher will be transferred to Area F or to major requirements toward the Bachelor of Science degree in Information Technology.
4. Qualified John A. Logan College graduates will be required to fulfill all of the Information Technology program's Area F requirements (18 semester hours), the program's ITEC upper level core requirements (21 semester hours), and a minimum of 18 semester hours of upper level ITEC electives.
5. MGA candidates for degrees must complete a minimum of 120 semester hours of academic work with a grade point of 2.0 or better calculated on all work attempted at MGA. The academic work must include at least 21 semester hours of upper division courses in the major field and at least 39 semester hours of upper division work overall.
6. Of the 40 semester hours immediately preceding graduation, at least 30 must be taken in residence at MGA. Any student admitted to MGA for the final year must be in residence for two semesters and must complete at least 30 semester hours in residence, including 21 hours of upper division work in the major.
7. All University System of Georgia and Middle Georgia State University requirements for graduation must be satisfied.

BS in Information Technology

AAS in Cyber-Security/Information Assurance

GENERAL EDUCATION REQUIREMENTS	
AREA A – Essential Skills 9-10 HOURS	
ENGL 1101	
ENGL 1102 or 1102H	
MATH 1111, 1112, 1113, 1113H, or 1251	
*MATH 1101 is required if SAT Math < 550 or ACT < 24	
AREA B – Institutional Options 4 HOURS	
Area B Elective (ITEC 1001 recommended)	PHL 121
AREA C – Humanities/Fine Arts 6 HOURS	
Literature-based Elective Choose one (circle): ENGL 2111***, 2112***, 2121, 2122, 2131, 2131H, 2132, 2132H, 2141, 2142	
Area C Elective COMM 1110 or COMM 1100	
AREA D – Nat Science, Math, and Tech 11-12 HOURS	
Area D Elective Choose one (circle) MATH 1200, 1401, 1251, 1501, 2252, 2253, 2260, 2270	MAT 120
Lab-Science Electives Choose two (circle): ASTR 1010K, 1020K,
