Art	M.A.	MA						IT

A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

1. Students will analyze and evaluate various rhetorical situations and technologies which affect writers' and users' perceptions of written work.
2. Students will research, analyze, and evaluate the latest digital environments and web technologies to write and publish in print format and innovative digital platforms.
3. Students will analyze and apply advanced theoretical approaches to editing and style.

What courses do I need to take to graduate from this program?
