

IRB Agenda
Meeting #3
Wednesday, April 25, 2012, 4pm
Academic Affairs Conference Room

1. Approve Minutes from October 24th Meeting

2. Summary of Proposals Received November - April

3. Revised PI Handbook of Full Review for outside persons doing research:

“Non-Affiliated representatives must receive permission from the IRB of their own institution(s) before applying to conduct research on Macon State College campuses. Research protocols thus submitted will be reviewed in an expedited fashion by an IRB subcommittee to ensure that (a) IRB approval has been obtained from the relevant outside institution(s) and (b) the research does not require full review because it poses no risk to members of the Macon State community.”

4. Research Training for New Members: <http://phrp.nihtraining.com/users/login.php>

5. Approve Changes to Faculty Handbook (re: Executive Committee charge):

“The Institutional Review Board is a research oversight board charged with ensuring that research involving human participants is conducted in compliance with applicable federal, state, and institutional policies and procedures for the protection of research participants.”
