February 16, 2012 10:01 AM 153.02 69.42 Tm[18B012]BT1 0 0,753.02 6511(16, 2012)JTJET77.541 0 0,753.02 6:(ee)0010.

Remove the paragraph following this list. No other items or materials should be allowed in the faculty portfolio.

7. The committee made an additional recommendation: since all of the above-proposed required items for the faculty portfolio could be or already are available electronically, we recommend that the faculty portfolio should soon move to a standardized electronic format, which would be securely housed by the College and made readily available to all members of the Promotion and Tenure Review Committee. This standardized electronic version of the faculty portfolio would replace the current three-ring notebook version.
8. Meeting adjourned at 6:05 p.m.

Respectfully Submitted,

Dawn Sherry, Recorder
