1. The first part of the course is devoted to the study of the history of the world from the beginning of time to the present day. This part of the course is divided into two main sections: the pre-historic period and the historic period. The pre-historic period covers the time from the beginning of time to the beginning of the historic period, which is the time when writing was first used to record events. The historic period covers the time from the beginning of the historic period to the present day. This part of the course is divided into three main sections: the ancient world, the medieval world, and the modern world. The ancient world covers the time from the beginning of the historic period to the end of the classical period, which is the time when the Roman Empire was at its height. The medieval world covers the time from the end of the classical period to the beginning of the modern world, which is the time when the Middle Ages were at their height. The modern world covers the time from the beginning of the modern world to the present day, which is the time when the modern world was created. The second part of the course is devoted to the study of the history of the United States from the beginning of time to the present day. This part of the course is divided into two main sections: the pre-historic period and the historic period. The pre-historic period covers the time from the beginning of time to the beginning of the historic period, which is the time when writing was first used to record events. The historic period covers the time from the beginning of the historic period to the present day. This part of the course is divided into three main sections: the colonial period, the revolutionary period, and the modern period. The colonial period covers the time from the beginning of the historic period to the end of the colonial period, which is the time when the United States was a colony of Great Britain. The revolutionary period covers the time from the end of the colonial period to the beginning of the modern period, which is the time when the United States declared its independence from Great Britain. The modern period covers the time from the beginning of the modern period to the present day, which is the time when the United States became a major world power. The third part of the course is devoted to the study of the history of the world from the beginning of time to the present day. This part of the course is divided into two main sections: the pre-historic period and the historic period. The pre-historic period covers the time from the beginning of time to the beginning of the historic period, which is the time when writing was first used to record events. The historic period covers the time from the beginning of the historic period to the present day. This part of the course is divided into three main sections: the ancient world, the medieval world, and the modern world. The ancient world covers the time from the beginning of the historic period to the end of the classical period, which is the time when the Roman Empire was at its height. The medieval world covers the time from the end of the classical period to the beginning of the modern world, which is the time when the Middle Ages were at their height. The modern world covers the time from the beginning of the modern world to the present day, which is the time when the modern world was created.
