(ORPs) be given the option to buy into TRS. At present, this is merely a request and no negotiations with the BOR have taken place. Dr. Trimboli responded to this news by noting that he was unable to withdraw money from his ORP to pay for a recent financial emergency. Dr. Bunker asked that Dr. Trimboli's complaint please be recorded in these Minutes.

consolidate the student evaluations into a single page since much of the data and content of the current forms are not considered during the evaluation of a faculty member. Dr. Brennan responded that the Promotion and Tenure Review Committee had talked about such matters, but that it was not charged with recommending changes to the student evaluation process, so it did not make any such recommendations at this time.

Dr. Biek suggested that we ask our colleagues about these recommendations, and Mr. Tsvatewa agreed that junior faculty in particular should be given a chance to give their
