4. Other Items of Business: Dr. Wearn discussed the review of statements of student learning outcomes on syllabi as part of the work of this committee to ensure that all outcomes are stated as easily assessed, measurable outcomes. Dr. Wearn and Ms. Sartin discussed the calendar of proposals coming forward and some of the obstacles for managing the workload of this committee. Dr. Smith asked about the new withdrawal policy, and Dr. Wearn explained the difficulty of putting technology in place to limit student withdrawals from courses.
5. Ms. Sartin adjourned the meeting at 10:56 am.

Respectfully submitted,
Dr. Loretta Clayton
Recorder
