

## Library and Technology Resources Committee

Journal articles.

- 2? Dr. "Leary" Da#i\$son reporte\$ that she )new that the English \$eparment's classes le\$ to a high \$eman\$ 2or library resources but that the 2un\$ing 2ormula 2aile\$ to re2lect that \$eman\$.
- g? Mr. \*ohnson suggeste\$ that perhaps a 2ormula base\$ on sections rather than cre\$it hours might be easier to calculate.
- h? Dr. Si\$ore summarie\$ the \$iscussion to this point by suggesting that the 2ee\$bac) 2rom the committee 2a#ore\$ tvea)ing the 2ormula) rather than starting 2rom scratch with a new approach.
- i? Ms. Borc) was concerne\$ that some campuses might be shortchange\$ un\$er the e. isting 2ormula) which allocates 2un\$ing base\$ on \$eparments=schools rather than campuses.
- >? Dr. Langan suggeste\$ that we might treat the \$eparmental=school allocations as being sub>ect to change o#er the year) allowing 2or some money to shi2t between \$eparments=schools as nee\$e\$) rather than being 2i.e\$.
- )? Dr. Si\$ore note\$ that the committee lac)s any representation 2rom Dublin.
