C. Discussion of c. P-NURS-01-AA-2014-2015 (Non-

3. ITEC 5120 Project Management – Laboratory Hours were changed from six to none.

The course description was changed to the following :

This course will provide a graduate level comprehensive foundation for project management as it applies to information systems development. Students will be introduced to the theory and concepts of project management, and the tools to manage projects with a specific focus on information technology. At the end of this course, students should be able to develop, execute, and control a basic project plan capable of supporting organizational objectives linked to measures of
