

Middle Georgia State College
Meeting 6 of the Academic Affairs Committee

C-MATH-02-2014-2015 (New Course, Learning Support, Math)
C-MATH-03-2014-2015 (New Course, Learning Support, Math)
C-MATH-04-2014-2015 (New Course, Learning Support, Math)

Dr. Vogel spoke explained that these courses are also revising the learning support requirements for MATH. MATH 0988 and 0989 are courses that will be required of students with low test scores to take before MATH 1101 or MATH 1111. MATH 0999 and 0998 are courses that will be taken in conjunction with MATH 1101 or MATH

asks for faculty credentials make sure it reads as , , proposals 01, 02 and 04. Dr. Langan motioned to approve these courses with the suggested changes. Dr. Mohr seconded the motion. The proposals for new courses from the Department of Mathematics were unanimously approved.

c. From the School of Aviation:

P-AVIA-06-2014-2015 (Non-Substantive Program Modification, AAS Air Traffic Management, Aviation)

P-AVIA-07-2014-2015 (Non-Substantive Program Modification, AAS/Certificate, Aircraft Maintenance Technology, Aviation)

Dr. Mary Wearn was called on speaker phone to discuss these changes. Credit hour changes were approved previously. However, these changes were not made on the right form so this is a correction. These changes are being made so that Air Traffic Control degree will remain competitive after the FAA made changes to their hiring expectations. Dr. Langan moved to approve the proposals; Dr. Vogel seconded the motion. The proposals for non-substantive program modifications coming from the School of Aviation were unanimously approved.

4. Other items of business: Dr. Clayton reminded committee members that our next meeting will take place on March 20th.

5. Dr. Langan moved to adjourn; Dr. Colquitt seconded the motion, which was approved by all. Dr. Clayton adjourned the meeting at 11:15 am.
