Description of Program EXACTLY as it will appear in Catalog:

Criminal Justice (B.S.)

The primary purpose of the B.S. Program in Criminal Justice is to provide a rigorous course of study that

will prepare students to work successfully with agencies (police, courts, and corrections) that are designed to administer law, achieve justice, reduce crime, and enhance domestic security. It is also designed to prepare students for graduate-level studies in such areas as criminal justice and law. The
