Modified Program:

Empty rectangular box for Modified Program details.

Provide a brief rationale for this program modification. For example, does it reflect updated disciplinary content? Does it align the program with state or national norms? Does it promote progression?

The purpose for this change is to provide students with the opportunity to focus their studies along specific tracks within the Health

Groups Administration Program based on their career goals and interests. Additionally, the change will provide an avenue for

- HLSA 4435 – Managed Care Credit: 3 hours
