complete the assigned clinical competencies will result in a 'D' for the course and possible dismissal from the program. This assignment should be included in the appropriate section of the student's mandatory portfolio submitted by XXXXXX.

5) Service Learning Hours (Scheduled by the student with professor's approval)

The student will be expected to complete 8 service learning hours over the period of this semester.

**Disability Accommodations:** Students seeking academic accommodations for a special need must contact Middle Georgia State University Office of Disability Services in Macon at (478) 471-2985 or in Cochran at (478) 934-3023. <http://www.mga.edu/disability-services/>

**Graduation:** Students should complete an application for degree in the Registrar's Office at least two

outlined in the most recent Catalog. **The reason to apply for graduation at this time is to have an audit of your transcripts so that if a problem exists, it can be taken care of at this point.**

**Disclaimer:** This course syllabus provides a general outline for the course. Exceptions may be necessary

**ADDITIONAL INFORMATION**

**ACCOMMODATIONS IN THE CLASSROOM**

Students seeking academic accommodations for a special need must contact Middle Georgia State University Office of Disability Services in Macon at (478) 471-2985 or in Cochran at (478) 934-3023.

Macon campus or in Sanford Hall on the Cochran campus.

**ACADEMIC INTEGRITY**

For the purpose of this class, plagiarism is considered to be the unattributed or sited use of the work of another. This includes but is not limited to unauthorized collaboration, submitting work that has been used for another class, or submitting the work of another. Assignments submitted with **any** evidence of plagiarism will result in a grade of 0 (zero) for the given assignment, and a written

The student should also refer to the respiratory therapy student handbook and the Professional Behaviors Assessment. See grading item above.

**HIPPA**

the classroom will remain in the classroom, and should not be discussed with others outside this specific class. All information made in this class will be shared. All patient specific material
