patient interaction unless otherwise instructed for the specific event.

D. All students will wear blue scrubs. No jewelry. Clothing must be clean, pressed, and ironed.

- personal conversations between preceptor and clinical instructor.  
Failure to meet this expectation will result in grade reduction as described above. Removal from clinical site will occur if patient care is negatively affected.\*

**Professionalism**

The student is expected to exhibit concern for the dignity and welfare of patients and team members,

seek assistance when appropriate, respect professional boundaries and remain calm in stressful situations. The student is also expected to initiate and participate willingly in all learning activities.

- therapist daily evaluations
- personal conversations between preceptor and clinical instructor

Failure to maintain this expectation will result in the student being sent home with loss of clinical hours.\*

\* lost clinical hours must be made up before student can complete this clinical level. If the student is dismissed from the clinical site, permission from the facility must be obtained by the clinical director.

before the student may return. Failure to be readmitted to the clinical site will result in dismissal from the program, depending on the student's level and the clinical site involved.

## **ASSIGNMENT DESCRIPTIONS**

### **1) Professional Behaviors Assessment by Faculty**

Each student is expected to demonstrate professional behavior during every interaction on campus. in

complete the assigned clinical competencies will result in a 'D' for the course and possible dismissal from the program. This assignment should be included in the appropriate section of the student's mandatory portfolio submitted by XXXXXX.

5) Service Learning Hours (Scheduled by the student with professor's approval)

The student will be expected to complete 8 service learning hours over the period of this semester. These hours may be in the form of health fairs, blood drives, smoking prevention/cessation events, COPD screening events, and Hands Only CPR for the community. **Prior approval** must be obtained from the instructor before the event dates in order for the student to count the hours for credit. **Confirmation of your active participation** must be obtained from the event coordinator for the event hours to count. Any negative feedback from the event coordinator or staff will result in the loss of credit for the hours and note in the student's file. This assignment requires a **reflective summary** of the experience which should be included in the appropriate section of the student's mandatory portfolio

submitted by XXXXXX.

6) Clinical Final Exam (Scheduled)

The student will be expected to complete a computer based Written Registry Exam administered on campus during the final exam week. An adjusted grade for this exam will be used as part of the total grade for this course. **PRIOR** to taking the RRT exam the student must demonstrate successful completion of the similar CRT exam which will be available at specified times (posted on D2L).
