

New Course (Fall 2011)

The image shows a complex, multi-colored grid representing a course schedule or syllabus. The grid is composed of many small colored squares (red, green, blue, yellow, orange, purple) arranged in rows and columns. The colors likely represent different days of the week or course components. The grid is partially obscured by a large white rectangular area in the lower right quadrant.

Are any special course fees associated with this course?

Yes No

If yes, explain the need for fees.

Note: All fees are subject to approval by institution.
