Course Description

This course provides an overview of the theoretical and assessment practices used in advanced generalist practice. The course will explore the relationship between theory and practice, and the role of assessment in the generalist practice process.

The course will cover the following topics:

1. Theoretical perspectives on generalist practice

2. Assessment practices in generalist practice

3. The role of assessment in the generalist practice process

4. The relationship between theory and practice

5. The role of assessment in the generalist practice process

6. The relationship between theory and practice

7. The role of assessment in the generalist practice process

8. The relationship between theory and practice

9. The role of assessment in the generalist practice process

10. The relationship between theory and practice

11. The role of assessment in the generalist practice process

12. The relationship between theory and practice

13. The role of assessment in the generalist practice process

14. The relationship between theory and practice

15. The role of assessment in the generalist practice process

16. The relationship between theory and practice

17. The role of assessment in the generalist practice process

18. The relationship between theory and practice

19. The role of assessment in the generalist practice process

20. The relationship between theory and practice

21. The role of assessment in the generalist practice process

22. The relationship between theory and practice

23. The role of assessment in the generalist practice process

24. The relationship between theory and practice

25. The role of assessment in the generalist practice process

26. The relationship between theory and practice

27. The role of assessment in the generalist practice process

28. The relationship between theory and practice

29. The role of assessment in the generalist practice process

30. The relationship between theory and practice

31. The role of assessment in the generalist practice process

32. The relationship between theory and practice

33. The role of assessment in the generalist practice process

34. The relationship between theory and practice
