4, 7	How do I enhance student learning through meaningful integration of technology?	C, A, E	6	Content Area Reading Skills Text Set, Content Book,
------	---	---------	---	---

Candidates will complete additional outside assignments throughout the course of the semester which will enhance class discussions and allow for better understanding of the content.

Content Area Reading Skills Text Set: Points: 50

Candidates will design specific reading strategies for each of the content areas. These strategies must be designated to help elementary students understand or gain additional knowledge of content area topics.

Anecdotal Bibliography: Points: 50

For this assignment, candidates will select high quality children's books that connect with science, social studies, and math topics. Teacher candidates will write the book titles in APA format and will write a brief description of each book, the general content of the book, and how this book would be beneficial to use in
