04 [Transfer Credit Policy](#)

If a student retakes a course, we currently accept the best grade (this policy was changed last year). This policy modification now applies this same policy to transfer credits.

05 [Advanced Placement Program of the University Entrance Examination](#)

This is a request from MCA follow the recommendation by the Fine Arts and Music Regency Advisory committees and accept 3 as an AP score.

06 [Transfer Student Admission](#)

MGA currently allow transfer students to come in and not go to Learning Support take the COMPASS exam. This new policy states that if a student doesn't have SAT scores and wants to get out of Learning Support, a student must take the COMPASS exam .
