Burnette asked does these changes challenge the IDS BS. Mary Wearn explained the difference was because of the math and science requirement. She complemented Wengier for having students in focus areas that aligns with BOR expectations. The concentration area separates the IDS BA and BS. The comparison documents were included.

Crystal O'Leary-Davidson moved to approve the IDS program modification, new course and course modification proposals. Elizabeth Walker seconded the motion. Motion carried unanimously.

6. Other Business

No further business.

7. Academic Affairs notification from Dr. Gibbons on academic renewal. The notification was to rectify loopholes for students who try for multiple degrees.

8. Meeting adjourned at 10:21 AM.

Attachment: Notification memo
