x Surveys

o Ms. Riley asked if any surveys of student's attitudes toward teaching and learning resources been developed and administered. Dr. Rigole stated that he did not know of any surveys on current students. He did know of a survey, but it was not with current students.

x Other Ideas

- o Website. It was mentioned that many students were have trouble navigating the MGA website. Specifically, students didn't know how to navigate the library website. Mrs. Lambert mentioned that a osbot instruction of using the library is available.
- o Freshman Year Experience (FYE). There was a discussion about the need for bringing back the FYE course. Concerns were raised regarding a lack of FYE and the upcoming SACS visite Peral quetsons were asked about the FYE such as whether it was provided to transfer student. The recommendation was made that YE should be mandatory for new students transfer students
- o Additional Library Resources. Dr. Moore commented that the library has been good in implementirfgculty recommendations. Mrsambert mentioned that there is a problem with the library budget in that as the number of academic programs have inased at MGA, the budget for the library has
