- j. 202108 – B;
 - i.

c. Discussion of proposal 202108 – A;

i. “Cultivating STEM Majors at Middle Georgia State University.”

1. Dr. Dawn Sherry 2. Dr. Donna Balding

Dr. Elaina Behounek made a motion to open the discussion. Dr. Dawn Sherry seconded this motion. A discussion was held regarding changes that should be made to this proposed study. Dr. John Hall will address the following recommended changes with the researchers: (1) Demographic data should be removed, (2) Compensation will be removed (3) Language changes – participant must be 18, (4) Clarification regarding the alternate assignments; alternate assignments must be graded as Pass/Fail. A vote to approve the suggested changes was taken, and the changes were approved unanimously. A vote was taken for the approval of the amended version of the proposal. The amended version of the proposal was approved unanimously.

6. Adjournment: The meeting was adjourned by Dr. John Hall at 10 AM.
