

MGA Strategic Plan Implementation and Assessment Committee (SPIAC) AY 2022-2023
Meeting #3 on MS TEAMS

Dr. Fuller asked whether the cabinet will change the current wording of the statement, and Dr. Cantwell answered that that decision is still unmade. Dr. Alhaj-Yaseen asked whether the work of the committee was complete. Dr. Jenks answered that he thought it was finished, but that other assignments could nonetheless follow. Dr. Camara followed up on the ranking of committee mission statements. Dr. Alhaj-Yaseen replied that all statements were reviewed, so rankings finally were not necessary.

New Business

None was explored.

Dr. Alhaj-Yaseen followed by making a motion to adjourn. Dr. Asbury approved and Dr. Murphy seconded. The meeting ended at 9.26 AM.
