

- PLO 3: Students will learn to evaluate legal issues and civil liberties within public safety, including the foundation and development of these procedures.
- Other comments/questions regarding Doctorate of Public Safety:
- GSC members suggested the following change to the DPS program:
 - Include SFTY 8420 into core requirements (i.e., highlight the critical nature of conflict management skills for administrators . especially with respect to public safety).
 - Adjust total core credit hours, perhaps - subsume Core requirements - SFTY 7100 and SFTY 7110 - into one course, i.e., Research Methods and Analysis
 - Will there be a SFTY 8999 credit of 1 hour for anyone who does not finish within the semester in which they take 8990 as they will have to continue enrollment in the program to finish the work and have access to the database systems?
- b. Proposed modifications to Graduate Certificate in Strategic Business Communication and MA in Public Relations
- Graduate Certificate in Strategic Business Communication
- Consists of 15 credit hours
 - Certificate is a stackable credential is aligned with the MA in Public Relations
 - Students can articulate all successfully completed course1o 1 34627 w(an)14(
