Absent: Tammy Haislip, Tom Hancock, Frank Ryerson, Dian Mitchell

Andrew Reeves convened meeting at 10:00am

Provost David Jenks addressed committee with gratitude.

Approval of agenda:

- x Motion: Shannon Beasley
- x Second: Crystal O'Leary Davidson • x Second:

x Policy approved

- Reducing the number of required courses and increasing the number of electives with the intention to make the program more flexible. This will expand enrollment. Production and Operation Management was added as required course, and Supply Chain Management Technology and Supply Chain Warehousing and Distribution were merged with Supply Chain Management 4130, making the course Transportation and Warehouse Management. Electives have been expanded, and deleted courses will be taught courses.
- Program modification:
 - Business Administration (B.S.)
 - Course Modifications:
 - SCM 4130 Transportation and Warehouse Management – course name change
 - SCM 3000 Fundamentals of Logistics Management –prerequisite change to Operations Management
 - SCM 4110 Global Supply Chain Strategy –prerequisite change to SCM 3000
 - Motion to approve: Shannon Beasley
 - Second: Elizabeth Walker
 - Program and course modifications approved

Health Services Administration

- Motion to discuss: Elizabeth Walker
- Second: Shannon Beasley
- Proposed by Dorothy Howell
 - Deleting Sport Fitness Management concentration in favor of the B.S. Courses in the concentration will be taught for currently enrolled students.
- Program modification
 - Health Services Administration (B.S.)
- New course:
 - RHAB 3440 Fitness Across the Lifespan
- Motion to approve: Crystal Deary-Davidson
- Second: William Lowery
- Program modification and new course approved

Sport Management (B.S.)

- Motion to discuss: William Lowery
- Second: Elizabeth Walker
- Proposed by James Hagler
 - Adding concentration of Sport Coaching, rather than the Sport Coaching Minor, for students already enrolled in Sport Management B.S.
 - New course:
 - x RHAB 3440 Fitness Across the Lifespan
- Motion to approve: Shannon Beasley
- Second: William Lowery
- Modification approved

Review of course modifications:

Social Work

- Motion to discuss: Viktoriya Lanier
- Second: Adam Bousum
- Proposed by Rebekah Hazlett-Knusden
Courses have been modified to adapt pre-requisites in response to coreIMPACTS changes. The majority of the courses have been strengthened and included in Area F. Some electives have been minimized and clarified to increase flexibility. SOCW 3000 is available to students who have not been admitted into the program.
- Course modifications:
 - SOCW 2400 Critical Thinking and Writing for Social Work
 - SOCW 2500 Success in Social Work
 - SOCW 2700 Social Work and the Social Welfare System
 - SOCW 3000 Cultural Humility and Responsiveness in Social Work
 - SOCW 3005 Introduction to Forensic Social Work
 - SOCW 3250 Social Work and Mental Health
 - SOCW 3050 Crisis Management
 - SOCW 3350 Social Work Across the Healthcare Continuum
 - SOCW 4010 Children in Crises
 - SOCW 4220 Family Violence and Abuse
 - SOCW 2215 Introduction to Social Work
 - SOCW 3010 Human Services Management
- Motion to approve: Elizabeth Walker
- Second: William Lowery
- Course modifications approved

Information Technology

- Motion to discuss: Viktoriya Lanier
- Second: Crystal O'Leary-Davidson
- Proposed by Alan Stines
ITEC 2270 is now the pre-requisite for ITEC 4264.
- Course modification:
 - ITEC 4264 Data Structures and Algorithm Analysis
 - x ITEC 2270 is now the pre-requisite for ITEC 4264
- Motion to approve: Shannon Beasley
- Second: William Lowery

New Course: Interdisciplinary Studies

Interdisciplinary Studies 4900 Career Readiness in Liberal Arts

- Motion to discuss: Crystal O'Leary-Davidson
- Second: Elizabeth Walker
- Proposed by Sheree Keith
This is a course that has been added for students who need a professional readiness component.
- Motion to approve: William Lowery
- Second: Adam Bousum
- New course approved

Notification Memoranda:

AS PTA Memo

Proposed by Chris Tsavatewa:

After review, 74 hours will be reduced to 70 hours without effecting outcomes by reducing the total number of credit hours in the clinical courses from 6 credit hours to 4.

- Motion to approve memo and modifications: Crystal O'Leary-Davidson
- Second: Viktoriya Lanier
- Memo and modifications approved

Cooperative Academic Arrangement Memos

Proposed by Chris Tsavatewa:

This memo updates the committee to the fact that MGA routinely participates in cooperative academic arrangements with institutions across USG. This is to assure that USG institutions are meeting requirement(s) for needs of students and obligation to credentialing, involvement of curriculum development, marketing, promotion activity. This is done on an annual basis. Notification only.

MGA's Assessment Timeline Memo

Proposed by Chris Tsavatewa:

- Course deletion: ETEC 1101 Electronic Technology in the Educational Environment
- Motion to approve: William Lowery
- Second: Crystal O’Leary Davidson
- Memo, course modifications, course additions, and course deletions approved

Incomplete policy

Proposed by Angela O’Neal:

Streamlining measure to differentiate the grade of “I” for Aviation Flight courses, which require longer to complete for students. “IP” instead of “I” will be used for Aviation Flight courses because those courses typically take 3 semesters. Students (whether they are enrolled continuously or not) will now have until the end of the following semester to
