Departmental Mission and Goals

The mission and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5 year range) for the department.

What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.

Objectives

Each year, every department should identify objectives the department hopes to accomplish next year. These should align with departmental goals and the MGA strategic plan. In the next section you will be reporting on the objectives you set and whether or not you achieved them in FY 18. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY19.

Objective 1

<p>Objective 1: What was this department's first objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.</p>	<p>At least 90% of Entry level graduates who attempt the Therapist Multiple Choice (TMC) credentialing exam will pass it on their first attempt. (CoARC outcome metrics are not available yet due to a change in their technology system, but should be made available in September.)</p>
<p>Objective 1: How did your department measure this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort)</p>	<p>National Board for Respiratory Care (NBRC) & Commission on Accreditation for Respiratory Care (CoARC) measure from credentialing exam results.</p>
<p>Objective 1: What was your target outcome for this objective? (i.e. 80% participation, 5% enrollment growth, 7% change in engagement)</p>	<p>Target: At least 90% of graduates becoming credentialed on their first attempt.</p>

Objective 1: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75%)

Objective 2

Objective 2: What was this department's second objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.

At least 80% of Entry level graduates will achieve the RRT credential on their first attempt of the Clinical Simulation Exam (CSE). (NBRC & CoARC measure)

Objective 3

<p>Objective 3: What was this department's third objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.</p>	<p>At least 70% of admitted Entry level students will graduate on time. (CoARC Measure)</p>

<p>Objective 3: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)</p>	<p>At least 70% of admitted Entry level students will graduate on time</p>
<p>Objective 3: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)</p>	<p>Preliminary data indicates a 76% on time graduation however, the CoARC system is currently down and this data has not been processed through CoARC (as noted above).</p>
<p>Objective 3: Did your department meet this objective?</p>	<p>The department met this objective.</p>
<p>Objective 3: What did your department learn from working toward this objective? What changes will you make based on this effort next year?</p>	<p>This cohort of students had a number of students which withdrew for non-academic reasons. On time graduation is something we constantly monitor, as we work with our students to try and retain them.</p>
