Objectives

Each year, every department should identify objectives the department hopes to accomplish in the next year. These should align with departmental goals and the MGA strategic plan. In the next section you will be reporting on the objectives you set and whether or not you achieved them in FY 18. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY19.

Objective 1

Objective 1: What was this department's first objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.

Students should have four ways of attending (observing) intercollegiate athmolw85.566.517.815f23050TD

Objective 2

Objective 2: What was this department's second objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.	Develop collaborative partnerships on-and off campus.
Objective 2: How did your department measure this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort)	Participants and number of participation hours.
Objective 2: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)	90% of student athletes will participate in at least one volunteer event and athletics will log at least 300 volunteer hours.
Objective 2: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)	Of the 200 student athletes on athletic eligibility lists for the 2017-18 seasons, 191 participated in at least one of 9 volunteer experiences. Total hours logged from events were 1,727.
Objective 2: Did your department meet this objective?	The department exceeded this objective.
Objective 2: What did your department learn from working toward this objective? What changes will you make based on this effort next year?	The department learned volunteer events are important and generate interest from the community by having interaction with the coaches and players. The interaction between players and local students generates interest from the community in the activities on campus.
