The mision and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for ydepartment as well as the long term goals (5 year range) for the department.

Likindo	To provide information technologgadership
	and support that enables Middle Georgia State
s/mileslife.	University to fulfill its instructional and
8	administrative functions in an efficient, effective,
	and timely fashion.

galagaile Rang, galagaile Rangaile Rang Provide a secure and reliable technology environment for all Middle Georgia State University faculty, staff, students, and guests.

Ø

Each year, every department should identify objectives the department hopes to accomplish in the next year. These should align with departmental goals and the MGA strategic plan. In the report will be reporting on the objectives you set and whether or not you achieved them in FY20. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY21.
