Department Mission and Goals

The mission and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5 year range) for the department.

<p>6. What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.</p>	<p>The mission of the Middle Georgia State University Nursing Program is to provide quality evidence-based nursing education to a diverse student population. The purpose of the nursing programs is to prepare culturally sensitive graduates who are committed to provide safe and effective nursing care through health promotion and disease prevention and are able to use clinical reasoning skills in the provision of care.</p>
<p>7. What are the goals for this department? These should be the "big things" the department/area intends to accomplish within 5 years.</p>	<ol style="list-style-type: none">1. Increase RN-BSN enrollment by 3% each year.2. Maintain ACEN accreditation and GBON approval.3. Maintain annual NCLEX pass rates > 90%.

Objectives

Each year, every department should identify objectives the department hopes to accomplish in the next year. These should align with departmental goals and the MGA strategic plan. In the next section you will be reporting on the objectives you set and whether or not you achieved them in FY21. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY22.

Objective 1

8. Objective 1: What was this department's first objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.	1. The Department of Nursing will increase RN-BSN enrollment by 50%.
9. Objective 1: Detail how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort)	Number of RN-BSN students enrolled Fall19/Spring 2020 and Fall20/Spring 2021
10. Objective 1: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)	50% increase
11. Objective 1: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)	18%
12. Objective 1: Did your department meet this objective?	The department did not meet this objective.
13. Objective 1: What did your department learn from working toward this objective? What changes will you make based on this effort next year?	50% is a lofty goal however we did increase enrollment with continued low level marketing. The RN-BSN is entering into a USG derived Collaboration Arrangement with other RN-BSN programs from across the state. Unsure of the impact regarding MGA enrollment at this point in time.

Objective 2

14. Objective 2: What was this department's second objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.	2. The Department of Nursing will receive USGBOR approval to provide a Certified Nurse Leader program.

Open Box for Assessment Comments

<p>33. Based on this assessment, please share your thoughts on the current status and future direction of this department or area. Use this space to summarize overall use of assessment results for continuous improvement and open text box for assessment comments:</p>	<p>The Department of Nursing is surviving the pandemic with enrollment at 601 Spring 2021. The department would like to see the approval of the CNL program as a means to increase graduate enrollment. Another area of interest is a Doctorate of Nursing in Public Health. One area of concern that could have a huge impact on the success of the nursing programs is employing qualified nursing faculty.</p>
<p>37. If the COVID-19 pandemic impacted this assessment cycle, please provide specific details below.</p>	<p>The pandemic did not impact the cycle but did impact the outcomes.</p>
