Department Mission and Goals

The mission and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5 year range) for the department.

6. What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.	The mission of the School of Computing is to educate students in ways that lead to fulfilling careers and enhance the economic vitality of Central Georgia. The School provides its graduates with the analytical and problem-solving skills required to excel within an increasingly interconnected and changing global environment. The School pursues this mission as an educational leader in teaching excellence, scholarship, professional service, and community outreach.

7. What are the goals for this department? These should be the "big things" the department/area intends to accomplish within 5 years.
