Department Mission and Goals. The mission and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5 year range) for the department.

6. What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.	The Flight department educates students for careers as professional pilots by providing highly advanced training in a learning environment that prepares students for the demands of the aviation industry.
7. What are the goals for this department? These should be the "big things" the department/area intends to accomplish within 5 years.	retain safety record Develop a scheduling strategy to use all available resources to support student needs. maintain AABI accreditation Increase Restricted ATP approved tract and class offerings

Objectives

Each year, every department should identify objectives the department hopes to accomplish in the next year. These should align with departmental goals and the MGA strategic plan. In the next section you will be reporting on the objectives you set and whether or not you achieved them in FY22. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY23.
