Department Mission and Goals. The mission and goals of the department should be consistent over a 5year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5year range) for the department.

6. What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.	The Dual Enrollment program seeks to engage, develop, retain, and provide linkage resources for goal oriented students working towards finding their Greatness.
--	---

7. What are the goals for this department? These should be the "big things" the department/area intends to accomplish within 5 years.	Goals: 1) Increase enrollment by x% in x years (by FY xx). 2) Increase student awareness of resources and tools available to assist them in maximizing academic success.
