Chief Information Officer

Division of the University: Strategic Plan/Cabinet

Administrative Unit Assessment Year Reporting: FY22 (July 2021 – June 2022)

Department and Assessment Report Information Prepared on: 7/19/2022 4:48:11 PM

Prepared by: geoffrey.dyer@mga.edu

Email address of person responsible for this report: Geoffrey Dyer geoffrey.dyer@mga.edu

The mission and goals of the department should be consistent over a 5-year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long-term goals (5-year range) for the department.

22. Objective 3: What was this department's third objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year. 23. Objective 3: Detail how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort) 24. Objective 3: What was your target OTR will implement a VOIP system to replace MGA's legacy telecommunication system. When all VOIP phones have been deployed and the system is in production, then the project will be considered 100% implemented. VOIP will be fully implemented (100%) by

24. Objective 3: What was your target VOIP will be fully implemented (100%) by
outcome for this objective? (1.e. 80% June 30, 2022
participation, 5% enrollment growth, 7%
change in engagement)
25. Objective 4: Provide details for your VOIP needs to be fully implemented in order
arget performance level established (i.e., to realize significant cost savings and utilize
ccreditation requirement, past performance enhanced communications that come with
ata, peer program review, etc.) Teams and VOIP features.

36. Please identify and detail three to four measurable objectives for the next fiscal year. In listing the objectives, please use the format shown in these examples.1) The Department of X will improve services levels by 5% as measured by our satisfaction survey. 2) The department of X will provide training in ABC for at least 73 MGA faculty and staff.

- 1. OTR will upgrade network infrastructure for 5 campuses and one residential location. (100% implementation of 5 core switches and fully replace fiber at University pointe)
 2. OTR will upgrade its 80% private cloud
- infrastructure
- 3. OTR will fully implement VOIP across the enterprise
- 4. OTR will fully implement USG endpoint and MFA audit recommendations

37. In this field, please document the overall	
use of assessment results for continuous	OTR completed several major projects this
improvement of this department area	year that had a huge impact upon on IT
(consider the past, present, and future and	services, primarily freeing up resources for
specifically address these in your narrative).	repurposing and laying the groundwork for
	future infrastructure renewal, service
	enhancements, and security improvements.
	USG security audits and addressing aging
	technology infrastructure are guiding our
	planning for the next several years, as
	represented in our goals for FY23.
