This data provides us a better understanding of patients' mental health status at the time of services and allows for referral to both on- and off-campus mental health resources.

Objective 2: What was this department's second objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.

Student Health services will highlight services and provide information to MGA students with an engaging pre-recorded approach that can be utilized in various events, including orientation and welcome week across all five campuses.

Objective 2: Detail specifically how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort, etc)

Creation of pre-recorded message

Objective 2: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)

1 pre-recorded message or video

Objective 2: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)

Based on indications that students are unfamiliar or unaware of SHS, we wanted to create additional messaging opportunities to try to reach a broader portion of the student population.

Objective 2: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)

> n/a

◉ The department did not meet this objective.

◯ The department met this objective.

We anticipate that the implementation of our EMR (electronic medical records) management system will allow us to better track student responses and learning.
