## IERB Comprehensive Program Review Rubric and Evaluation

### Program Strengths of Note:

MSN program is doing great in all areas.

The employment rate of 84% is excellent. Additionally, it is great that the graduates have stayed nearby.

### Areas of Concern:

If there is no information on one or two students, how can you have 100% certification?

### Other Comments:

In "Plans for Action" and "Job Placement" you have the acronym ELA. What is ELA?
