Assessment Plan

How will a student know they are learning what they need to learn to be successful when they graduate?

Please identify which type of learning activity will be used to teach the learning goal. Also identify the learning objective associated with the learning goal being taught. A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

Learning Outcome 1	Students will recognize and explain the historical context of political, social, economic, and institutional developments across the globe.	Essay	Macon Cochran Online
