**Assessment Plan**

d6

**How will a student know they are learning what they need to learn to be successful when they graduate?** d6

*Please identify which type of learning activity will be used to teach the learning goal. Also identify the learning objective associated with the learning goal being taught.  
A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.*

Successful teacher

**Outcome 3**

<b>Learning Outcome 4</b>	Successful teacher candidates will evaluate their professional practice through reflective Commentary, which will provide an understanding of engaging all learners through evidence- based instructional modifications.	Commentary and Rubric	EDUC 3130	90% of students will earn a score of 80% or higher on the identified assessment
---------------------------	--	-----------------------	-----------	---

*\*Data collected for assessment purposes should be segmented by program location. Cochran, Macon, Dublin, Eastman, Warner Robins, or online students should be analyzed separately.*

### Curriculum Map

**Where in a student's academic program will they be taught the content of each learning outcome and how will the content be taught?**

*Please identify the method of instruction (i.e. case study, lecture, experiential instruction, team activity, writing assignment, quantitative exercise)*
