	Choose your preferred display language and home time zone below. Language: English(Linket States) Time zone: PutCoder States States (Scored)	Mw <sup>Mu</sup> πεατ

7. After selecting this click "Save". You will now be placed into your mailbox.

If a user is locked out or has forgotten their password then the password reset process is the same as it has always been. Once you reset their password to the generic password assigned you should then direct them to this same process that a new user or student would do.

The direct link for a user to change a password is <u>https://fs.mga.edu/adfs/portal/updatepassword</u>.
