Introduction.....1.....

What you can do with Voice.....1.....

Sign up for Voice and get your number

Getting Voice on PC

1. On your computer, go to voice.google.com
2. Sign in to your Google Account.
3. After reviewing the Terms of Service and Privacy Policy, tap **Continue**.
4. To pick your Voice number, tap **Search**.
 - x Search by city or area code for a number. Voice doesn't offer 800 numbers.
 - x If there aren't any numbers available in the area you want, try somewhere nearby.
5. Next to the number you want, tap **Select**. Follow the instructions.

After setting up Voice, you can link another phone number. Learn more about [setting up phones](#)

Get Voice on Android

Make sure your phone is on and you can get

Text and voicemail messages

Send a text message

You can use the Google Voice website to send text messages
